About ASN

The American Society of Notaries is the first national nonprofit association for notaries public in the United States, established in 1965. ASN is dedicated to providing its members with education, professional service and technical support; promoting high ethical standards; and increasing public awareness of notaries' valuable contributions.

ASN members receive special members-only pricing and exclusive access to members-only products. Orders may be submitted by mail, phone, fax or online at www.ASNNotary.org.

ASN ALL-STATES RECORDBOOK

The recordbook is the best tool a notary can use for protection against claims of impropriety or malpractice. You may also hear the recordbook called a notary journal, log, or register. The ASN All-States Recordbook of Notarial Acts is an essential tool that allows you to document every notarial act you perform.

Although some states do not require use of a recordbook, ASN recommends that every notary use a recordbook to minimize exposure to liability and to keep track of every notarial service performed. To check your state's requires please visit:

<http://www.asnnotary.org/?form=rbkrequirements>

ASN ALL-STATES RECORDBOOK OF NOTARIAL ACTS

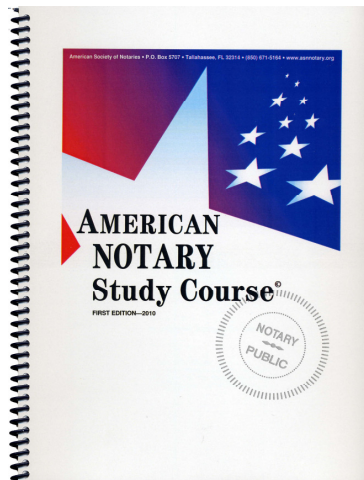

The recordbook offers 76 pages with 222 separate entries. Allows the option of recording three notarizations per entry, for multiple signings with the same signer. Also contains a space for a thumbprint.
